

Bonus Worship Prophecies CD

Worship Turns Pressure Into a Walk of Victory

For you to take your stand, resist what should not be that is trying to come on you, and worship Me for what I said about it instead of lending yourself to it, you too will walk out with a great victory.

There is a time to cry and a time to laugh. There are many different seasons, but do not step back in your relationship with Me, saith the Lord. The way you can stay on course is, in the worst of it, to lift your hands and worship Me, because I am your answer.

So be not deceived. Stay close to Me no matter what the enemy tries to do. You will see: not only will you make a recovery, but you will move forward. Some will move slowly, some faster, and some faster still, but you will move forward into a place where you can make a difference.

When I saw that difference, it was not just one person. You are affecting everybody you know.

For this I say to you: what I have for you is hard to understand with your mind, but it is a depth of love. My earnest desire is to bring you to this and to continue to increase it on the inside of you. Many things people look for, and then end up unsatisfied when they are over, are really the love that I have for them.

Through these years gone by, I have attempted to reveal these mysteries here and reveal them there. But I am able to take these mysteries now a little further than I have been able to take them in most places, as you will see, because they will affect everything I have called you to do, accomplish, or be.

I am never the One who holds back, nor do I pull up short. I am always the One who is there, ready to give you more and bring you as far into Me as you can find the strength to come. I am here for you. You will find that out now, or you will find that out later, or you will find that out when you get home, but one day you will find that out.

For I can turn those tears that are not of joy, those that escape you in times of distress, anxiety, and failure. I can bring tears of joy and fellowship with you, and great joy. Faith says that circumstances are not dictating what I have for you.

Line yourself up and learn how to worship Me. Take exceeding joy in My presence and in My Word, for what you have is what I said you have. You can pull yourself out of where you are and come on a walk, a path with Me, that will be glorious.

And know this: we are getting close. This is yours, but you will see this in abundance, so you might as well start rejoicing now.

Private Worship Increases the Operation of Love

Somebody said, "What was it that would increase that love that you have, that ability to love and have it come into operation in your life?"

The key again was the praying in tongues that you have been doing. Start adding an hour or so of private worship in there, where you surround your spirit and sustain yourself in comments of:

Father, I love You. I glorify and magnify You. I exalt You and lift You up and praise You and love You. Thank You so much for saving me. How can I tell You how much I love You?

Do you know how much fellowship He gets out of that when you feel an anointing and a presence starts coming in? I will tell you, you cannot bathe yourself in that without it bringing a change.

When you worship Me and pray in the Holy Spirit, understand this: your worship will take an order. It will take itself into order, as when you are praying in tongues you are not choosing what is to be said. Some will say, "I think I will pray about it in tongues," but you are not choosing even the subject. I know what is causing the problem.

When you pray in tongues, you are edifying yourself and building yourself up. But when you worship Me, you cause that part of you in the spirit to rise up, that place I said not to doubt in. Your hallelujahs will become victories, glorified victories.

Do you not know that when you worship Me in the severest of times, you are celebrating My truth, not your destruction? You are celebrating My truth. You who celebrate My truth know that I am truth, and I am love. When you park on My truth and celebrate Me for it, then it will change what needs to be changed, saith the Lord.

He delights in edifying you and encouraging you. He delights when something He has encouraged you in and given to you, you begin to lift up and walk in, and it comes to pass. These things delight Him. This is why He enjoys the times you spend in worship and the times you spend praying in your prayer language.

Peace resounded through my spirit for a minute, and I do not think I have ever quite had a resounding like that of how it is, and can be, and should be.

Worship Magnifies the Promise Until Peace Holds You Up

Sometimes it gets worse and your faith is tried. Remember this: My peace, My power, and the standing I have given you is enough. You will see the things I can do, and you will see the things the devil will try to stop, but you have already won.

So rejoice in such and be exceedingly glad. Worship like you are rejoicing over something that needs to be done as if it has already been done.

Hear these instructions. When you magnify My Word in My presence, for I am not a man that I can lie, you are magnifying what I said. What I said I would do, that will I do. But you who enter into worship and begin to worship Me in fellowship, glorify and praise Me, and hold Me up, do you not know that you are releasing Me to hold you up?

When you worship Me around the verse, hour after hour, what you are doing is amplifying by resting in the Spirit over My promise.

For you might as well know, in this area there is a shortage. There is a shortage of those who can survive the power that is in money. That power in money offers them the chance to be anything, anywhere they want to be. So many do not survive.

But I say this to you: in these last days there will be those who enter into the mortification process, and they will come forward. You will see, and you will say to yourself, "How can this be?"

This can be because My foundation has been built on and compounded through the centuries past. Now that travel and knowledge have increased and are on every hand, this is coming into place for a worldwide revival to be manifested.

Do you think I cannot go in where My Word is going in? I can go in where My Word is going in. Any outpost that receives everything I am through teachings that have been brought in through areas of communication, I will still come and honor My Word, because truth is truth.

You will see revivals of this sort breaking out in the homes of many, many nations. So be strong and know that I am moving.

The Love of God Breaks Religious Bonds and Illuminates Scripture

There is great pleasure and fullness when you give yourselves over and become this close and near to fellowship with Him in that love He has for you. It has always been and always will be. The problem is not Him loving you. The problem is getting you to receive the love He has always had.

Much can be learned from the rapport that goes on between Me and you, that when you resign yourself to My presence and worship and create an atmosphere for fellowship, is there anything I would not do for you?

Come. Come. Come.

I heard this: "Leave the bands." Then He used another word: bonds. Leave them behind and come and be free, free from religion.

For you will not walk too far into this before you find out, as did John, the role My love plays. For those who can see, much of the Scripture that lies misunderstood will begin to illuminate and come to light.

If the habitation of My love was sought out with the same fervor and tenacity that money or power was sought out, you would cause a revival.

You think that I do not hear your thoughts, but when what you are thinking and hoping for comes across to My line, the things you classify as prayer and reaching out to Me, those are the things I respond to because of the faith that is present in what you are asking Me to do. But think not that I am unaware of all things, for I am.

So hear what I would say to you: move forward. I know what the future holds for you, and I know what you are capable of. I will give you all that you need to do all that I have called you to do. Be strong and glorify Me, because in doing so you loose Me from the circumstances you created to come and rescue you.

In your walk, I cannot love you more than I already do, because I am. I love to shed that love on you in manifestation when you can receive it. There is no greater joy for Me than to fellowship with you on the level of My love.

He said, "I am love. I cannot love you any more, but you can stop and find out how to receive more of the love I have already given you."

Tongues and Love Prepare Believers for Greater Trust

Even through this, you will be assisted in coming to the forefront of the operations of the diversities of tongues. In this gifting, I use this for all kinds of information. I use it to inform you, to establish you, and even to bring revelation knowledge forward.

There are many diversities to the supernatural language, even the addressing of the heathen in their own language by yourself. So rejoice and know that the closer you draw to Me and My love, the more I am able to trust you and turn you loose with different things, says the Lord.

For you have said, "I have made my mind up so many times to discipline myself, and each time I failed. But this time I am thinking, I have to get beyond this. I must not fail this time. I have to stay in until I reach my course."

Do you think for a moment that I do not hear the request of a heart like this? Rejoice, for I have grace that is sufficient for these things. You will not draw on Me in your own strength. You will draw on Me in the strength of the grace that I give you in the standing of My Son.

Do you think I am preparing you for nothing? I am preparing you for these last days. To obey Me now is to take a step forward. You will be on time in your timing if you discipline yourself now, receive My grace, and move forward.

Do you not know that the more you mature in worship, the more fear you will defeat? Be a champion and come forward without fear. Do you not know the sufficiency of My grace? Strengthen yourself. Strengthen yourself in Me and say, "I have Your grace; therefore, I am strong."

If you only knew the love that I have for you, you would also know that as hard as you are reaching for Me, I am on My way coming to you. There is no good thing I will withhold from you. Come where I am, and you will see there is that place where I have set everyone free.

Resources and Healing Flow From Receiving His Love

Jeff brought me back to tongues for a minute. This one has to do with resources. Why would I use that dirty old word, money?

When He taught on unrighteous mammon, He listed it: you cannot serve God and mammon. He listed it as a worthy foe that probably defeats more people than almost anything.

But in that prophecy, or part of that interpretation, He had me wait there. He said to tell you that this is why a great, great, incalculable abundance will be poured out to meet whatever is needed. For your knowledge, that also includes those whom you are believing for in the realm of healings, because all of it is tied to the increase of the operation, freedom, and compassion that results from you actually receiving and operating in more of the tangible presence of the love that I have for you, which has already met every one of your needs abundantly.

What would easy times or hard times have to do with it? As far as God is concerned, what would easy times have to do with anything? What would hard times have to do with anything?

So in those things, do what causes you to continue to increase in the walk of My Spirit, the walk of power, and the fellowship that you have with Me in worship. Do these things that I may pick you up and abundantly bestow those things that are the benefits of My love, says the Lord.

For like so many times, Lord, it is My desire to gather you to Myself and do those things that are pleasing to Me, to do those things that I have done for you. Receive it. Receive it.

The more you yield yourself to Me and stay in My presence, the wiser you will become on how to make your journey from not having to having. It is My delight when I reach down and pick you up, that you go with Me, because when I pick you up and you go with Me, then I can take you places you have not been before. You will see things you have not seen before. Have I not said, "All things are possible to him that believes"?

So stay on your journey. Fill yourself up with My love, and you will turn Me loose, free Me up to do things.

He delights when you receive instruction and follow Him. He cannot love you any more now than then, but you seem to love Him more. In history, one of the greatest times of fellowship He has loved is when people made it to this place, where they worshiped and fellowshiped with Him without limit.

The interpretation said He is excited about what we are approaching. It is His desire, He says, not to stop. When you are pleased with what He has done, then your worship and gratitude, in a form of thanksgiving, is fellowship He loves. It helps Him increase for us to do more.

Common People Who Worship Without Penance Carry Revival

There have not been too many in the histories of time who gave themselves sacrificially to Me where these things were not mostly done in a form of penance. Not many came to Me and said:

I already have available everything that You died for and provided for me. I am coming to You for just one reason. I know You have already given me everything, but I would like to tell You how much I love You. I am just here to tell You that. I do not want anything. You have already given it all. I just want to tell You that I love You.

How can change come unless something takes place that affects change? Am I not your Lord, your God, and your Father? Have I not prepared a place in eternity for those who seek Me? Have I not made provision for every human being who will reach out for Me?

So do not stop. You are approaching areas that have very seldom been approached, but when they have been attained, the attainment came with a great harvest of revival. These were common people like you, not those who thought they were great, but common people like you who carried great hope in their heart. Later that hope turned to great faith, and that faith turned to great power.

So do not stop, nor should you stay the same. For you seek Me the way I ordained a way for you to seek Me. You will not go down the wrong path. How will you go down the wrong path when I am the One creating the prayer that says you will go down the right path?

Stay in My presence. Along the way, gifts are bestowed. Along the way, mysteries are understood. Along the way, places in Me can be attained to. You will see, for there have been enough who caught a glimpse of what I have, and they will press into this.

So rejoice and be exceedingly glad, for you will see wildfires of revival before I return. Not just for one, but what I do for one, I do for all. When you touch Me, I will touch you. There is nothing that I have not finished that I will not do for you. Everything I accomplished and did, I did it for you.

Worshipping Him a lot more before you see the revival will affect Him and you a whole lot more than worshipping Him after it is already done. That is the one who had faith in it.

When you raise your heart and fix it on My presence and My worship, you begin to communicate with Me in your love. Know you not that these are the things of fellowship that I love, saith the Lord? You will not stay the same, for it is impossible to fellowship with Me on the level of love and stay the same.

Counting the Cost Opens the Path From Glory to Glory

Rejoice and be exceedingly glad, for the path to who I am and what I have is as sovereign as the cross that provided it. Would I fix it in such a way that you could not put one foot in front of the other until you arrived at all the great things I have done for you?

Be strong, be strong, and of good cheer. Trust Me and know this: I have finished everything pertaining to My operation here, and it is yours for the receiving. Be exceedingly glad and know I have done abundantly above all you can ask or think, and you can walk into it. It is a choice that can be made.

When I pour My love out, the foundation you have is very important. When I pour My love out, there are many who do not believe in Me, and they state the reasons why in the judgments I must make in the last days, saith the Lord.

If you continue on that trail of finding out more about Me, then let Me minister to you with My love and compassion. Eventually you will come to the place where I can pour any good thing out on you, and you will understand who I am, what I am, and what I must do. You will not be led astray.

Stand solid on My Word and know that I am a good God, and I am doing those things that must be done, saith the Lord.

For if you are going to go somewhere you have not gone before, you will have to do something you have not done before. So as you make this journey now from realm of glory to realm of glory, you will marvel at the things that I do, and you will be glad that you began this journey way back when. You will be glad that you stayed and fought the good fight.

For the reward is not based on the fruit alone. The reward is based on the time, the hours, your life.

For which of you, intending to build a tower, does not sit down first and count the cost, whether he has enough to finish it?

And he who in every aspect of his life chooses Me over all else is counting the cost and will finish his tower with great reward, saith the Lord.

Torment Is Replaced by the Presence You Practice

Do you think it is too hard for Me to take care of that problem causing you torment? Ask of Me and see. This is your choice. You can live in the torment, or you can tell it to go.

Did I not say that prophecy would be in proportion to faith that has been given? Do you not know that when I have a voice, then I get to speak to you and tell you those things that will set you free?

You do not have to live in that torment. Tell it to go and rejoice. Lift your hands to Me and worship, and you will see My presence replace that one.

I can break it down to just a few words: He is pleased. He is pleased. He is pleased with what is happening here now. He is pleased because He has been this way before, so He knows what follows. Obviously, for Him to be pleased, what is going to follow is going to be really, really good.

That is what He was saying: He is pleased. He is incredibly pleased with the truth that is coming out of here now.

It is good that you learn to worship Him for what you do not see, because wait until you see the kind of worship that takes place when you do. That was that last part there.

This grace is not of yourself. It is the gift of God. What could you do to earn this? What could you do that I have not already done for you? If you will fellowship with Me, in fellowshipping you will find out how, through the things I have given you, to yield yourself and yield yourself. What I am will come forward because it is what you are, and you will see that you will not be fruitless nor barren in the harvest of these last days.

He loves the fellowship of the praises and the worship of the people. There is fellowship in it not only for you, but also for Him.

As a father with his children, oh, My desire is to pull you in close to Myself and do those things for you that can be done no other way. For many of you, your hunger has left the hunger for worldly things and has come across the line, saith the Lord, for you have said your life is not your own.

See, you are releasing Me to do those things for you that any good father would do. Would I give you those things in the place of what I have prepared for you as My body?

He who worships Me, glorifies Me, and exalts Me in his life now when he sees little, one day will exalt Me greatly when he sees much. The more you exalt Me when you see little, the more you will see when you exalt Me much.

The times are coming when you will rejoice exceedingly beyond everything you have ever understood God to be, or could be. It is beyond everything you could have thought Him to be, think Him to be, or expect Him to be as God.

He said there will be seasons in your life when He will come very powerfully. You will see things about Him and know things that you never dreamed possible. Yet all of this is going to correspond with what is happening, and great answers and great power will be put on display. As the times get worse with you, I will get stronger. I will compensate. You will see, for these seasons are scheduled to begin according to what you have given Me, and that is not too long from now, saith the Lord.

Supply, Timing, and Peace Are Not Problems for God

There has been much meditation and many questions held forth for Me to answer, such as My blessings and these kinds of things I have for you. Know this: they have not been a problem for Me. They never have been.

Can you measure your heart? You can measure your heart in being faithful in little. Do you not know you will be able to measure your heart to be faithful in much? Do you think supply and demand are a problem for Me? They are not a problem for Me, saith the Lord. I am He who can supply all of your needs according to My riches in glory.

There has been a steady stream of those who have gotten past Me and are jumping off into eternity. Know you not that any city where this is taking place that I could have stopped this, this is the city I would have stopped it in. But where there is a spirit in one place, generally there is the same kind of spirit in another, especially when a certain few hold the ears of the media.

Know this: once the hold is broken and heaven is opened, that little spread has a great revival. Do you think for one minute that these people who are jumping off into eternity, had I been able, I would not have stopped it last year, or the year before, or last decade, or last generation?

My timing is when you will step forth and become all that I said you are. That is My timing.

You say, "I have a time to save people." Does this mean that I choose who is going to hell and who is not by the generation they are born in? No. My truths were the same then as they are now, and those who pick them up and follow Me, he who believes all that I am, all that I have said, and all that I have, it is yours.

Some of you even need to learn how to practice My peace. If you would practice worship and magnify and glorify Me in the height of problems, you would learn how to practice My peace. If you let Me give you peace, then I can also give you things that accompany it.

Some of you are believing for things, not just loved ones. Some of you are believing for your finances. Some others are even a little afraid over your job security and things like this.

In that translation of tongues, He mentioned some of those things, that you need to learn how, in the face of adversity, when Satan is screaming how bad everything is going to go, just tell him to shut up. Lift those hands up and begin to worship God, for God is your keeper. He is your supply.

Practicing Peace Teaches the Heart Not to Stay Where It Is

You have to remember, I came from forever. I came from eternity. There is nothing too long or too short for Me. Every one of your lives is a whole world and eternity to Me, for I came from and am in a place where there is no time. So why would your life not be a whole world to Me?

Do not think that I do not want to walk in this world of Mine that you have for Me. I do, for I care more about you than you know. If you will exercise yourself and begin to open your heart to walk with Me, you will start understanding that I am presence, and I want to be in fellowship and in everything that you do, saith the Lord. This is My fellowship with you.

When you doubt not in your heart, you are lifting up that place you have in Me, and that place I have in you, where I can operate and things are done. When you doubt not in your heart, I will move mountains for you, saith the Lord.

Come into fellowship with Me. Taste of My peace and know that I am good. The only yoke I ask you to wear is to learn of Me, for I am meek and lowly, and I am the rest you are looking for for your souls.

You fellowship with Me while you are in the flesh. Think how it will be when you are lifted up above it, saith the Lord.

There is no need or reason that you should condemn yourself, for your weaknesses are overcome the same way. Why condemn yourself? Just give yourself over to Me, and I will work My grace in you.

Why do you limit yourself? When you limit yourself, you put limits on how far you will go. Why do you take that which is around you as something that can overpower you?

Hear what the Spirit would say: wherever you are walking, do not stay there. Wherever you are walking, you do not have to stay there. All you have to do is enact what I have given to you.

At first, your strength will be measured by how faithful you are in the midst of the problem, but that will give way to victories and more victories and My power. So stay on the path and know that nothing has the power to stop you.

Worship Establishes Emotion for the Rules of Revival

Worship will be a strong manifestation in these years to come. When I establish Myself in you, there are many, many things I will do in establishing your emotions through the fellowship you have with Me.

So become strong, because when revival is poured out, the rules of engagement change. Be strong, for the enemy is in opposition, but this time he is not going to succeed in these anointings and the continual increase of them, such as the increase in the early church after they spent their time with Me, saith the Lord.

Then they entered into their apostleship. Did not they come from the cities round about and get set free from all manner of diseases and unclean spirits?

Know you not that currently, where the worldwide church is walking, the perversion is virtually something that has been going on unaltered? But did you know that the very moment I magnify Myself in them with the rebirth and fill them, I can also absolutely set them free?

Those who know the truth will come into My anointings, and it will be because they saw that the burned-over fields were not what He is. It will give them new hope that they can be free and will start causing them to want what I am giving them instead of what they have had those years.

Much, much, much hangs in the balance. So stand strong and go forward, because you who paved the pathway know it is much easier to walk down a path that has been cleared than one that has not. Many will follow.

But who can earn what I give? Why do you come before Me to spend those times that you may operate in My presence? Is it to invoke Me, or is it because you love Me? saith the Lord. He that loves Me will finish this course, and I will give you everything along the way.

Of all the things you can do that change the atmosphere immediately around you, this is one: give yourself to Me in worship and in the speaking of My Word with adoration. The person who does this ministers to himself. You will minister to yourself in psalms and hymns and spiritual songs. You are the one receiving ministry.

When you rejoice and magnify Me with your heart, and many of you with your whole heart, know that I am not the One changing. You are. You will never stay the same when you come next to Me and glorify all the things I am.

Love Replaces Fear Where Discipline Alone Cannot Reach

There are so many who walk in fear. They discipline themselves, they speak My Word, and all these things will work them toward their freedom. But know this: he who speaks My Word over fear and says, "I will not have fear," what do you think I do to replace your fear?

Somewhere along in your walk, you must become acquainted with Me on a level of fellowship where you might know Me. Know Me in My power, in the manifestations of My power, and know Me in My attributes. Understand who I am, but mostly in My love.

For what is love when love cannot be given away? What makes love complete for someone who has no one to give it to?

Know you not that it brings Me great pleasure, great pleasure, when you fellowship with Me and release Me to fellowship with you? My desire is to build you high above any fear, high above the worries and cares of this world.

Did I not warn you to take heed that you do not take these cares, for many hearts will fail them for looking upon the things coming upon the earth? Fear not, for you who find these hidden places in Me. They are hidden from most because they have been imprisoned by religion. But you who find these places in Me, know you not that there is that place where not a hair on your head...

Right now, many of you are close to tears. Do you think for a moment that this is your doing? I am able to do much more than I have in times past concerning you here who believe Me, because you are letting Me precede things by My grace, My power, and My love. When My love is preceded by My grace, and I am allowed to be poured over somebody, do you think I will leave them the same?

I have been looking for these things. I have been waiting for a revival of truth, soundness of mind, and sanity. A revival so grounded and sound that the finest minds will evaluate all that I do and say, "Your God must be."

And now, back to those who are beginning to weep. Know you not that this is not you; this is Me moving in you. These times when I move on you like this, it is at different levels with different people, but I am always preparing you for a closer and closer walk with Me.

So let Me wash those levels of problems out of you with My grace. Stand up strong and take your place. Know you not that nobody can carry your mantle? If they could, I would have assigned it to them. Rise up and be strong, for every single one of you I have a commission.

Faith Seeks a Life of Peace, Joy, and Reward

He said in the tongue, though it was not directly for her, that so many spend much of their life looking for something, only to find out it was not what they were really looking for. Those who do not know fellowship with Me, and have not experienced My love and fellowship, have no way to gauge what they really want.

When I said to walk by faith, in My mind I did not exactly have the material world in mind. Do you not know that you can receive from Me from glory to glory, and I will change you?

What kind of life do you desire? A life full of My life, peace, and joy, with no fear to the end of your days? Fat with reward, and to go home full of days and shouting every moment? Is anything too hard for Me?

There is this place. Oh, it is a holy place. It is a place where the impossible was done. Therefore, is there anything too hard for Me? Every provision has been provided for. There is nothing I have redeemed you from that I cannot come in and do for those who will yield themselves to Me in that place.

Why would anyone come up short in seeking, practicing, approaching, and holding on for longer and longer times of that place with Me? Know you not that once you begin to break the walls down, they tumble very fast? You will begin receiving in more areas by receiving in more areas, for the more you get, the more you will get.

Therefore, find out how I work on these levels, and you will understand more how I work on every level, saith the Lord. Nothing is too hard for Me.

Now is not the time to take a step backward. The harder the enemy fights in your emotions, the harder he fights to overcome you, know you not that the closer you are to answers, this is not the time to take a step backward. When everything about you is fighting prayer and fighting spiritual principles, forge forward, for these are the times you are changing the most, saith the Lord.

If you are not good at something, practice. Count it all joy when you fall into different tests and trials, knowing this: when the devil puts your faith on trial, you will learn patience out of it, but you will also learn victory. He that is double-minded, let him not think he will receive anything from Me.

Be single-minded. Look to the end of everything, for I am your victory. Count it all joy. Worship and delight yourself in Me in the worst of times, and you will enjoy the best I have in the best of times, saith the Lord.

Grace Magnified in Worship Crosses Thresholds of Provision

The grace I have given you is My standing, and it cannot be earned, merited, or deserved. Yet when you magnify and glorify what I have done for you, guess what I magnify and glorify in your life? What would it be if not My grace?

When My grace is magnified in you, saith the Lord, then every good thing that My Word says can happen to you. Therefore, go from where you are to where I am, for that journey is made just because you want to.

When you come to Me, you are against the strongest enemy that is out there: the mammon of unrighteousness. Yet if you learn how to tarry in My presence, worship Me, and speak My Word, know you not that there will be certain thresholds you will cross over?

One of these was spoken and taught on in the past when I spoke of a baptism of the Spirit. But for he who continued to worship, there was a baptism of the senses, when your senses can be so saturated by My presence that you can hardly tell you are in the flesh.

Know that this is a place of wisdom and instruction in the holiest place with Me. Great men of God have made fortunes and given those fortunes to Me who dwelt in this secret place of the Most High.

For a day of this is at hand, a day of reckoning and a day of great blessings. Many mergers are beginning to take place. In these mergers, I will merge truth with media, and I will merge finances with truth, saith the Lord. You will be glad. You will be glad. You will be exceedingly glad.

Condemnation Tries to Turn Prayer Into Law

When prayer is taught strongly, and moving in My Spirit and praying in My Spirit is taught strongly, the devil always follows up these kinds of moves with condemnation. First, elation and great joy come into the camp. Then the enemy comes with condemnation, and in the condemnation he demands law. When he demands law, My children believe that if they do not follow a stringent regimen, they will not have their prayers answered.

It is not I who condemn you, saith the Lord. My desire is to walk alongside you and hold you up.

As you continue on in My prayer, times will come and you will have seasons where your faith will be strong in the realm you are walking in. Then the enemy comes with great cares of this world, persecutions, and tries to take this away from you by force before you advance further into higher places in My Spirit.

There is one beginning now, and this is one of great excitement and answered prayer. In this one you will learn to minister to yourself, both in the assimilation of My Word and edification, but also to minister to yourself in My fellowship and in coming to know Me.

This is an area, saith the Lord, where you will see a very, very powerful and visible difference. Excitement will come. Many have made it on and finished their course who made it this far, and many of you are entering into this time.

So be strong and know that in the midst of adversity, great victories, miracles, and moves of My Spirit lie just ahead. Be faithful in your edification, assimilation, and your times with Me, for only then will you understand the importance of this when I begin to move through you powerfully in revival, saith the Lord.

For it is your foundation now.

Refreshing Begins With the Journey of the Heart

First we enter into great times of harvest. You will marvel and wonder in amazement as you see Me move in the pureness of My Spirit and My power. Many of you will say, "I have been deceived. If I had known it was this way, I would have begun to change long ago."

What do you think the words "times of refreshing from My presence" mean? In all opposition and all resistance, I will put it down, for you will be refreshed, saith the Lord. You will be refreshed by My presence.

Settle it within yourselves: it is what I have done, not what you have done. Not by your works, lest any man should boast. It is My gift. I created you unto good works; the good works did not create you. There is no area that My grace covers that you can cover.

So stand up and be bold in yourselves. Rejoice and know that the first journey you will make is the journey of the heart: the journey of peace, soundness of mind, sanity, great joy, and lack of torment and fear.

There is no circumstance that can challenge you, for I am the Lord your God, who has shed My grace abundantly upon you through My Son. Therefore receive, that I may work My plans through you in these last days, saith the Lord.

Have I not said, "Is anything too hard for Me?" For I am the God of the impossible.

Even in all this, know this, saith the Lord: when I begin to do notable miracles for you, always remember it is your change as you grow closer to Me that I rejoice in. The miracles are nothing to Me; your fellowship is everything.

For the endless eternities He will fellowship with you. This is His desire. This is His desire. This is His desire. So enter into the fellowship now. Why do you wait all day for what I desire for the eternities? I desire it now.

Corporate Presence Can Become Individual Fellowship

As you move forward in My anointings and the supernatural, those which are taken from the fullness of My grace, know this: when your faith releases Me to cross over those lines, you know it is not by your works but by the manifestation of My love toward you.

There is none of you who could be good enough within your own selves. It is the standing I give you. So do not condemn yourself for your faults. Just do not stay where you are. Continue, line upon line and from glory to glory in My presence.

You working your future standing by going from glory to glory releases Me with My grace to come and do for you what I can do now.

Therefore, rejoice not in your own selves but in the strength I have given you. Look for the perfection that comes from My Son through the grace I have given you, not your own strength. Yield yourself to Me with no condemnation, and let Me work that which I work in you, saith the Lord.

This presence that you enjoy corporately can be enjoyed individually. There is a place in Me that you can go.

The rest of it was that we get so refreshed from meeting together and worshiping. Could you imagine how refreshed you could walk if you learned how to stay in that presence? The message was something like that.

At the end, He was saying that so many saints have traded off His presence for a form of godliness and denied the power of the form. Your fears and worries can become great anticipation. Your fears can become great confidence. He that seeks Me shall find Me.

The Unconquered Frontier of Harvest Requires a Tried Foundation

This is like a frontier that has yet to be conquered by many whom I have called into the harvest of the precious fruit of this earth in the last days. This is a frontier that must be conquered, that I might shed My abundance liberally on those who do My will.

You who are in tune can see the seasons changing. The season is here. Many of you will experience things you have not before. You will drink deep from the rivers of living water and operate freer than many of you have before.

Be faithful and be strong, for there is no building that has ever been built whose foundation was not eventually tried. Be strong. Be strong. Be strong.

In what He was showing, many of you were running out and bringing parts of the harvest back, and your joy and your operation were contagious. Many were strengthened and encouraged and established themselves even stronger.

If what I desired for Tulsa could have been done, it would already have been done. Therefore, something must be done that has not been done. It is My desire to have an outpouring here that sweeps in the masses.

So be strong and rejoice in your path, for it is the path I have laid for you. I am able to do what I could not do before when I find what I need to do it with. So be faithful, saith the Lord. Great days.

You are looking at Me, and I am looking at you, speaking in His stead. I am looking at you, and you are looking at Me, for I am speaking of things, saith the Lord, that are heavenly. I am speaking of things that are in My mind, things I have for you.

When I can find someone who will utter the things which I say, do you think I will not stop and speak these things to you that you might be free? It is My desire to set you on this kind of path of fellowship with Me, for I am meek and lowly, and you will find rest for your souls.

The Enemy Opposes Creative Presence Before It Reaches Cities

There is no one who has done anything for Me, saith the Lord, whom Satan did not come against with persecution, affliction, and care, using all the instruments at his disposal to stop him. There is no one who has gone to where My creative presence lives, to where the outpourings of My Spirit affect entire cities, whom he did not try to stop with everything he does.

There is nobody who does these kinds of things for Me who did not have to get past his worst. You will see what I am talking about when these things come to pass. You will see.

Many will come from many places to look at what is happening here, and they will be so convinced by Me, because the limits have been taken off, that they will go back with aspirations. They will go back knowing that they can accomplish everything they have seen accomplished here.

Therefore know this: it has been a while since I have gotten to visit with this kind of visitation. So know that the enemy is not just trying to stop you here; he must stop you. Once this begins to manifest itself, it will be much too hard for him to turn back.

If He were to take all of us and whisk us out and take us on a journey all over the world to everywhere that He is doing something, you would not find one place that is in the fullness of where He is bringing us. In this generation, He just has nothing to work with.

So there is a whole lot more banking on you, and I think other places, than you realize. He is not just trying to stop us; he is trying to stop something from getting out of control.

Just now He said that this is some of the most invaluable training, absolute bar none, that you will get from Him: getting to know Him in the places He will send some of you, if He can get you to them. He prefers that you take this kind of training from Him so He can send you into the impossible places that people do not come back from if they have not had the training.
